

ICSB 2009

The 10th International Conference on Systems Biology
Stanford, California, Aug 30 – Sept 4, 2009

Addendum

Entrepreneurship in Systems Biology – Panel/Reception

Entrepreneurship in Systems Biology: How Ideas get Commercialized Panel/Reception sponsored by Mohr Davidow Ventures and featuring Malek Faham, Bernhard Ø. Palsson, Stephen R. Quake, and Eric Schadt will be held 8/31 6:00 - 8:00 at Arrillaga Alumni Center, Fisher Room

Plenary Sessions

- Plenary 1 Genomes – Daniel S. Rokhsar will speak in place of Jun Wang
- Plenary 1 Genomes – Mike Snyder's affiliation is Stanford University
- Plenary 7 Systems Virology – Jill Banfield's talk is cancelled

Posters Poster sessions on Monday and Wednesday evenings will include a hosted social hour of beer, wine and light snacks.

- Posters 1.036, 2.062, and 2.089 were withdrawn
- Poster 1.102 – “Dose-Dependent NF- κ B Signaling Dynamics and Gene Expression in Response to TNF α ” presented by Jacob Hughey, Savas Tay, Timothy Lee, Markus W. Covert and Stephen R. Quake has been renumbered to 3.111
- Poster 1.109 – “Toward a Whole-Cell Model of *Mycoplasma genitalium*” presented Jayodita Sanghvi, Jonathan R. Karr and Markus W. Covert has been renumbered to 2.110
- Poster 1.111 – “Genetic-metabolic networks in physiological admixed populations” presented by Mogens Fenger was added to the program
- Posters 2.208 and 2.209 – were incorrectly numbered, and should be numbered 2.108 and 2.109
- Poster 2.072 – authors are Rikard Johansson, C. Kreutz, C. Johansson, M. M. Bartolomé Rodríguez, P. Strålfors, J. Timmer and G. Cedersund
- Poster 2.094 – Will be presented Wednesday as Poster 3.112
- Poster 3.110 – “Quantitative targeted proteomics for the analysis of cellular networks” presented by Paola Picotti¹, B. Bodenmiller, H. Lam, D. Campbell, E. Deutsch and R. Aebersold was added to the program

Tutorials

- Tutorials 4,8 – Locations have been changed to Hewlett 201
- Tutorial 10 – Has been cancelled

Workshops

- Workshops 1,3 – Locations have been changed to 380-380X
- Workshop 2 – Location has been changed to 380-380Y
- Workshops 2,3 – will end at 5pm Friday

Exhibitions

- The Nature Company, Molecular Systems Biology exhibition was added
